

Community-based Diabetes Screening Program in Peel Region

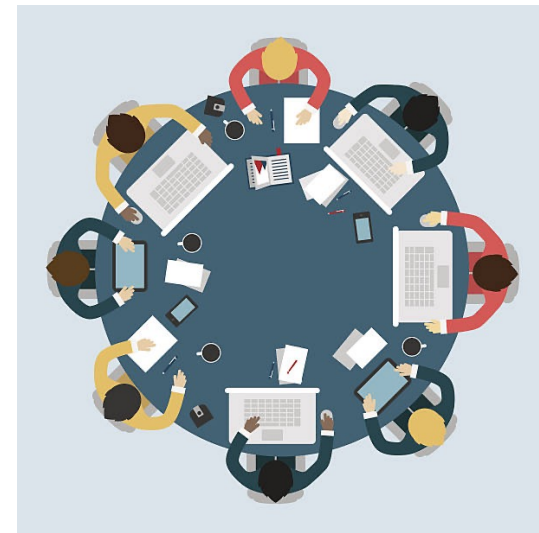

Are you interested in participating in a study to co-design a community-based diabetes screening program?

This study has been reviewed by the University of Toronto's Research Ethics Board.

Do you live in Peel Region? Are you without access to a primary care provider? Do you want to help develop a community-based diabetes screening program? We want to hear from you!

You may be eligible if you:

- You do not have access to a primary care provider
- You are interested in sharing your experiences and perspectives to design a community-based diabetes screening program in Peel
- You are willing to participate in virtual consultation webinars (4 sessions)

The group will meet virtually four times between August to October 2024, 2 hours for each session. Participants will be compensated for their participation.

If interested, please contact: Ghazal Fazli at ghazal.fazli@utoronto.ca or Abisha Yogaratnam at abisha.yogaratnam@utoronto.ca
