

ALT Summer Camp Closure

Hello,

We regret to inform you that our Summer Camp scheduled for 2025 has been cancelled due to circumstances beyond our control.

We looked forward to seeing the smiling faces of our eager campers this summer. It is always exciting to see them having fun while building confidence in their identities and developing lifelong leadership skills.

Our team remains here to support you through our various children's, youth and family programs. Please stay tuned for updates on our Arts, Literacy and Tutoring program which continues in Fall 2025.
