

With Deepest Sympathy

We extend our deepest condolences to the family and friends of Mrs. Grace Eleith Newsome, warmly known as 'Mama Grace.'

Mama Grace's light will continue to live on in the hearts of those she touched. We will remember the countless ways she served the communities she loved, her legendary impact, and the accolades she received. We will forever be inspired by the joy she found in helping others as she supported, guided, and cared for our Seniors group for over 20 years. Our wishes of comfort are with all whose lives she touched.
